# General Public

- From the Public Event Notification screen, create a public ID by clicking on “Register”.
- If a public ID exists, enter the ID in the login id field from the “Sign in” option.

The image displays three screenshots of the LinkSystem Customer Interface, illustrating the registration and login process for the Event Notification feature.

**Top Screenshot:** Shows the "Event Notification" screen with instructions. It states: "If you have a LINK® id, please login to LINK® via Customer Activities and access Available or Subscribed Email Notifications under the Favorites menu. Do NOT use the links below if you have a LINK® id. Otherwise you may register with an id of your choosing. This id will only be for purposes of E-Mail notification and does not give you permissions to the LINK® System." Below this, there are two buttons: "Sign In" (for currently registered users) and "Register" (for new users). A red arrow points from the "Register" button to the registration form on the right.

**Right Screenshot:** Shows the registration form. It includes fields for "Login ID:", "Password:", "Retype Password:", "Secret question for password:" (with a dropdown menu for "Example questions" showing "Mother's maiden name?"), and "Answer to the secret question:". A "Login ▶" button is at the bottom.

**Bottom Screenshot:** Shows the login form. It includes fields for "Login ID:" and "Password:". There are checkboxes for "Change your password?" and "Forgot your password?". A "Login ▶" button is at the bottom. A red arrow points from the "Sign In" button in the top screenshot to the "Login" heading in this screenshot.

# General Public

After creating an Event Notification ID or logging in as a Public User, information such as names, phone numbers, notification types, business units and email addresses can be entered or updated. After selecting the different notification events for the appropriate business unit, click on the “Submit” button to start receiving email(s).

Home E-Mail Address:

Other E-Mail Address:

To receive an email when notices are posted to the following categories below, simply fill out the form. If you sign up for home or work email, you will receive a full text of the notice. If you enter a pager email address, you will be sent the full text of the notice. However, your text pager may truncate part of the message. If that happens, please refer to your work or home email notices (if any), or see the LINK® Informational Postings site for the full text of the message.
